STAFF EXTRA BLAH

Fishie: It's been awhile since we've last done a staff blah section, but this has to be done~!!!
How can I just go on and not hate on Mami Yokoyama!!?!
Every staff member who's worked on Sairen has got a lot of hate for this girl >D

But how can you not!? She is such a damn airhead that it's unbelievable. It's not even moe or anything, it just makes you want to smack her right in the face. And don't even go saying that she is just trying in her own way to get the guy she has already seen he has his heart set on another, STOP BEING SO WHINY AND ANNOYING. Getting all the other guys on the team to help her out? Yeah that's real innocent of her =_= JUST GO AWAY!!! Your sweet act is just obnoxious and fake~!

haru-chi: SERIOUSLY WHY DO PEOPLE EVEN TALK TO HER
You guys should see the next chapter, the look she gives Rio makes me want to draw various un-pretty things on her face. How more annoying can she get? You'll see in the next chapter! GAHHH! Just one more chapter and I'm going to be rid of that bitch! She's so annoying!! You guys have no idea how many times I stopped to curse her while I was editing this chapter xD Out of all the not-heirone-girls who like the main dude and is doing their best to get him, this bitch be the most annoying. I actually commend the mangaka for making her so unlikeable! SHE WAS MADE TO BE HATED PEOPLE. MADE TO BE HATED!!! "huffs"

the third time I've written something like this, but I
(anyway) I'm so happy that Intercross is still going
despite the lack of staff and the disappearing for three
months which didn't really help the declining activity.
